

INDIA | UAE

Pure, by nature

We aspire to claim a strong position in the global food market and establish Chaliyar as a name of trust and excellence. In doing so, we aim to empower India's rich coastal and fishing regions by unlocking the true value of their abundant marine resources.

From the depths of our oceans, we envision a future where responsibly sourced, expertly frozen fish delivers nutrition, freshness, and well-being to tables around the world.

And that future begins here ...

Our Vision

To establish Chaliyar as the undisputed leader in the supply of fresh and high-quality seafood across the UAE and the wider GCC region, setting new standards in product excellence, operational efficiency, and sustainability. We aspire to be the first choice for businesses and partners seeking reliable, responsibly sourced seafood, while continuously innovating to enhance supply chain integrity, traceability, and client satisfaction.

Our Mission

At Chaliyar, our mission is to deliver superior seafood and allied products with unwavering consistency and professionalism. We are committed to:

- **Global Sourcing Excellence:** Partnering with certified fisheries and trusted suppliers worldwide to ensure quality, freshness, and traceability.
- **Operational Precision:** Utilizing advanced in-house processing and integrated cold-chain logistics to maintain product integrity from origin to client.
- **Client-Centric Service:** Offering customized solutions, timely deliveries, and flexible support to meet diverse business needs.
- **Ethical Standards:** Upholding the highest standards of integrity, compliance, and sustainability in every aspect of our operations.

Our ultimate goal is to build enduring relationships with every client and partner, earning trust through transparency, reliability, and superior product quality at every step of the supply chain.
